CAREER OBJECTIVE

Computer Engineering student. I consider my self a responsible and orderly person. I am looking forward for my first work experience.

INTERSHIP

V THINK SOLUTION
- Feb 2024 – June 2024

My four-month internship at V Think Solution as a Web Development Intern was a transformative experience that allowed me to apply my theoretical knowledge in a real-world setting. I gained several learning's such as Coding, Designing in the development.

DEVOTEE INFOTECH
- Aug 2024 – March 2025

My six-month internship at Devotee Infotech Pvt. Ltd. as a ReactJs Intern. During my internship, I showed a strong interest in learning and actively contributed to the task I was assigned. I stayed dedicated to my work and performed well, especially in understanding and working with React.js and related technologies.

INTEREST

- PLAYING
- WEB-DESIGNING

PROJECT

TRAINING AND PLACEMENT CELL SYSTEM
I am glad to present my project on "Training and Placement Cell System", which is prepared as part of my 6th semester in diploma computer engineering at Government Polytechnic for Girls, Surat. Placement management software allows planning placements, organization recruitment drives and letting companies recruit students.
